## Dear Community of the “Livingstone”,

*“As you come to Him, the living Stone... you  
also, like living stones are being built into a  
spiritual house.” 1 Peter 2:4 &5*

God has truly blessed Livingstone  
Adventist Academy with a community of  
generous pastors, church leaders, and  
church members.

Each week as we look around our churches, we see the future of the church in our children. We each realize the importance of Christian Education in equipping our children to be the members and leaders of God’s church.

How many of you would like to give a “tuition donation” in the amount of \$14,950 to Livingstone Adventist Academy without having to add to the donations you already give? You would even be supplemented for your gift. With this “tuition donation”, you would have the opportunity to witness to international students who attend our Academy.

This year we have two Japanese girls, 15 years of age, eager to attend our Academy. However, we need “Host Families” who are willing to host these girls for the 2019-20 school year. What a blessing it would be for the host families, as well as these girls, to experience an American lifestyle based out of a Christian home. What a life-long witness this will be!

We are hoping to establish a list of host families who would be willing on a rotating basis to host our international students. Should you have an interest in being part of this special hosting and witnessing proPgram, please contact the Academy for further details. (503) 363-9408
