## THE CARE AND COMFORT OF GOD'S HOUSE

*Pay careful attention to yourselves and to all the flock, in which the Holy Spirit has made you overseers, to care for the church of God, which he obtained with his own blood.*

*Acts 20:28 ESV*

The church of God is comprised of three components: the congregation, the members, and the church building. We, as a family of East, recognize the importance of all three and how they harmonize together.

Last month we had the fire alarm go off, finding the Sanctuary filled with smoke. The fire department determined it was due to a furnace motor which shorted out. There was no damage to the building, but it did reveal that we have old furnaces. It turns out we need to replace 7 furnaces and 2 air conditioning units. The cost for these units will be \$37,600, plus some additional charges for miscellaneous repairs.

As the family of East, let us all prayerfully consider how we can collectively meet this challenge together. If you are able to help, please mark your tithe envelope **“Furnace Units”**. Anything helps!

- ✝ We are looking for 24 families who could commit to roughly \$100 a month for 12 months. Please notify Debbie regarding your pledge

**We have 9!!**

*And one of you says to them,  
“Go in peace, be warmed and be filled” ... James 2:16*
