ADULT SABBATH SCHOOL CLASS studying the Acts of the Apostles has moved to the back half of the Fellowship Hall. Come join us as Gene Starr leads us in a historic, cultural, linguist, contextual study of the book of Acts.

"NEW FREEDOM TO LOVE" seminar dates have changed to February 29 and March 6 & 7. Pornography is a silent plague, in the church as well as in the world, destroying us from the inside out. This professional series with top speakers provides a real-world, real Christianity antidote. *It is for all to know and/or help others know, freedom to truly love in today's world (not just those personally struggling with pornography).*

RELIGIOUS LIBERTY SABBATH is January 25. Every year 1 million Liberty magazines get delivered to government and community leaders to help them understand about the importance of religious freedom. Donated funds cover the costs of lawyers who assist in cases of Adventists in the work force that need Sabbath accommodations. It helps with a 3ABN weekly TV program called "Liberty Insider". North America Religious Liberty Association is the Church's member driven advocacy organization for freedom action. Please be thoughtfully praying on how you can help financially on January 25 to keep Religious Liberty as a priority for America.
