IS YOUR CHURCH STICKING ITS HEAD IN  
THE SAND?  
ARE YOU IGNORING ONE OF THE STRONGEST  
ADDICTIONS OF THE 21ST  
CENTURY?

**New Freedom to Love** is a 5-part, church-sponsored seminar that opens the subject of pornography up for frank discussion. It provides an educational, holistic look at how pornography affects us bio-chemically, emotionally, and spiritually.

Speakers include Mike Tucker, Dr. Celeste Holbrook and Bernie Anderson

→ See other side for more details

*Created for local churches by the North American Division of the  
Seventh-day Adventist Church*

This is NOT just for those personally struggling with a pornography addiction. This is for ALL who would learn a Christ-based approach to the very pervasive presence of pornography in the modern world.

Discussions will cover such questions and issues as:

- How do we practice healthy, supportive Christian community vs shame-based isolation in organized religion?
- How do we understand what kids today are dealing with, at what ages, and how can we help them learn to safely navigate those challenges?
- Are the young people leaving the church at least partly because we don't deal with the real world that they live in?
- What is the true and healthy version of God's plan, so we can clearly distinguish the counterfeits that are now so prevalent even in church circles?
- What are we tangibly doing as a church to provide connection for wholeness and health and healing?
